Chelsea in Bloom

Cadogan is delighted to announce that Chelsea in Bloom will this year see the neighbourhood transformed into a menagerie of floral animals, as the local area takes on a 'Floral Safari' theme. With over 50 shops, hotels and restaurants taking part, immerse yourself in Chelsea's Safari.

CHELSEA IN BLOOM - WHAT'S IT ALL ABOUT?

The streets of Chelsea will once again come to life with incredible floral installations for 'Chelsea in Bloom'. Extending the iconic RHS Chelsea Flower Show out into the local neighbourhood, the annual festival of floral art will see the area transformed into a menagerie of wildlife for this year's 'Floral Safari' theme, with over 50 competitors (see overleaf) inspired by exotic animals and far-flung destinations to create stunning displays made of fresh flowers. Produced by Cadogan, in association with the Royal Horticultural Society (RHS), this year is set to be the most visually stunning yet.

Stores across Sloane Street, Sloane Square, King's Road, Duke of York Square and Pavilion Road are taking part - a huge variety of shops, hotels and restaurants including Jimmy Choo, Smythson, Hugo Boss, Monica Vinader, Rag & Bone, Whistles and the Jumeirah Carlton Tower hotel. RHS judges will decide winning displays based on their creative interpretation of the floral safari theme, as well as their style, flair, relevance to brand and use of fresh flowers.

A Day in the Life of a Lifestyle Manager

Our Lifestyle Managers are the lynchpin of Cadogan Concierge, delivering a highly tailored, exclusive and reliable service to our residents and commercial customers. Introducing Lynn O' Riordan, your Lifestyle Manager, to give an insight into the service.

Q: LYNN, HOW DID YOU END UP WORKING FOR CADOGAN CONCIERGE?

I've been in the events and concierge industry for almost ten years, spending my career making the impossible possible for my clients! I was thrilled to hear about the opportunity with Cadogan in this special neighbourhood and I feel extremely fortunate to be part of the rich cultural heritage of Chelsea.

Q: HOW LONG HAS CADOGAN CONCIERGE BEEN RUNNING?

It launched in May 2015, so this month we celebrate our two year anniversary. That is of course a small drop in the ocean compared to the impressive 300 years of history at the Cadogan Estate! We are always looking at how to improve and enhance the service, but a lot has been achieved in two years.

Q: WHAT SORT OF REQUESTS CAN CADOGAN CONCIERGE ASSIST WITH?

With a global contact list, my team and I can assist you with everything from luxury travel, finding the right gift for a loved one, domestic staff, booking restaurants, arranging holidays, sourcing tickets for events or hiring a private jet for the weekend. I can get my hands on world-class entertainment events such as sold out

tickets to Glastonbury, front row seats at London Fashion Week, Royal enclosure tickets to Ascot and centre court tickets at Wimbledon.

Q: WHAT DO YOU ENJOY MOST ABOUT THE ROLE?

Each day is exciting because every enquiry is different. Our members rely on us for trusted guidance, with nothing beating the personal insight and touch of a good concierge, so I'm told! Supported by my head office team we provide a fully 24/7 service. There is also a great group of Lifestyle Coordinators based at some of Cadogan's key locations, such as 10 Duke of York Square, 155 Sloane Street, 19 Cadogan Gardens and 15 Sloane Square. On a daily basis we work seamlessly to provide a high-standard of service to our members.

Q: WHAT DOES A TYPICAL DAY LOOK LIKE?

There is no such thing as a typical day, I can be meeting a florist or organising domestic cleaning, to drawing up an event contract for 400 guests at a conference. Often I meet with various London hotels and restaurants, familiarising myself with the events space and building relationships with them for when we need to squeeze a client in last minute to a 'fully booked' restaurant.

With such wide-ranging functions and constant deadlines, the field is fast-paced and demanding so you need to be full of energy, always have a smile on your face and most of all willing to help.

Q: WHAT ARE YOUR FAVOURITE FINDS IN THE LOCAL AREA?

Where do I start...alfresco lunch in the Ivy Chelsea Garden, a walk in the enchanted Chelsea Physic Garden on a summer's day, spending a Saturday afternoon exploring contemporary art at the Saatchi Gallery followed by some treats at the Duke of York Square market, or wandering along

Pavilion Road to try some delicious bread or mouth-watering cheese and pick up fresh seasonal veg. Most of all I love gazing in the windows of the shops on Sloane Street.

Another part of the job I enjoy includes, organising celebrations for clients in private dining rooms and seeing their joy when I have, for example, created their most perfect 40th birthday party. With Cadogan Concierge offering a complimentary venue finding and booking service, simply inform me of your preferred dates, location and type of cuisine and I will ensure we find the ideal location .

Q: HOW DO YOU KEEP UP-TO-DATE WITH THE LONDON SCENE?

My team and I are 'plugged in' to a vast array of information sources and contacts ensuring we are fully up to speed. From Michelin star restaurants and art exhibitions, to the

latest sporting events, there are a range of cultural attractions and entertainment options. I am always very honest with my clients, offering straightforward advice and sharing my personal experiences, good or bad. This builds trust and relationships, which is the most valuable and enjoyable part of our service.

Please feel free to contact me on lifestylemanager@cadoganconcerige.co.uk on 020 142 9858 with any enquires, or if you require further information I'd be more than happy to help.
