# Welcome

September always feels like a fresh start – and an opportunity to renew our outlook on fitness, fashion and culture. This issue covers all three: complimentary classes from the neighbourhood’s new gym, KXU; anticipated highlights from our Sloane Street designers at the upcoming international fashion weeks and the best of September’s cultural events.

All things art and design related grip the capital at this time of year, inspiring this month’s ‘Retail Therapy’ - from ‘Start’ Art Fair at Saatchi, to the innovative London Design Festival, LAPADA, Frieze and the coveted Turner prize.

Until next month,

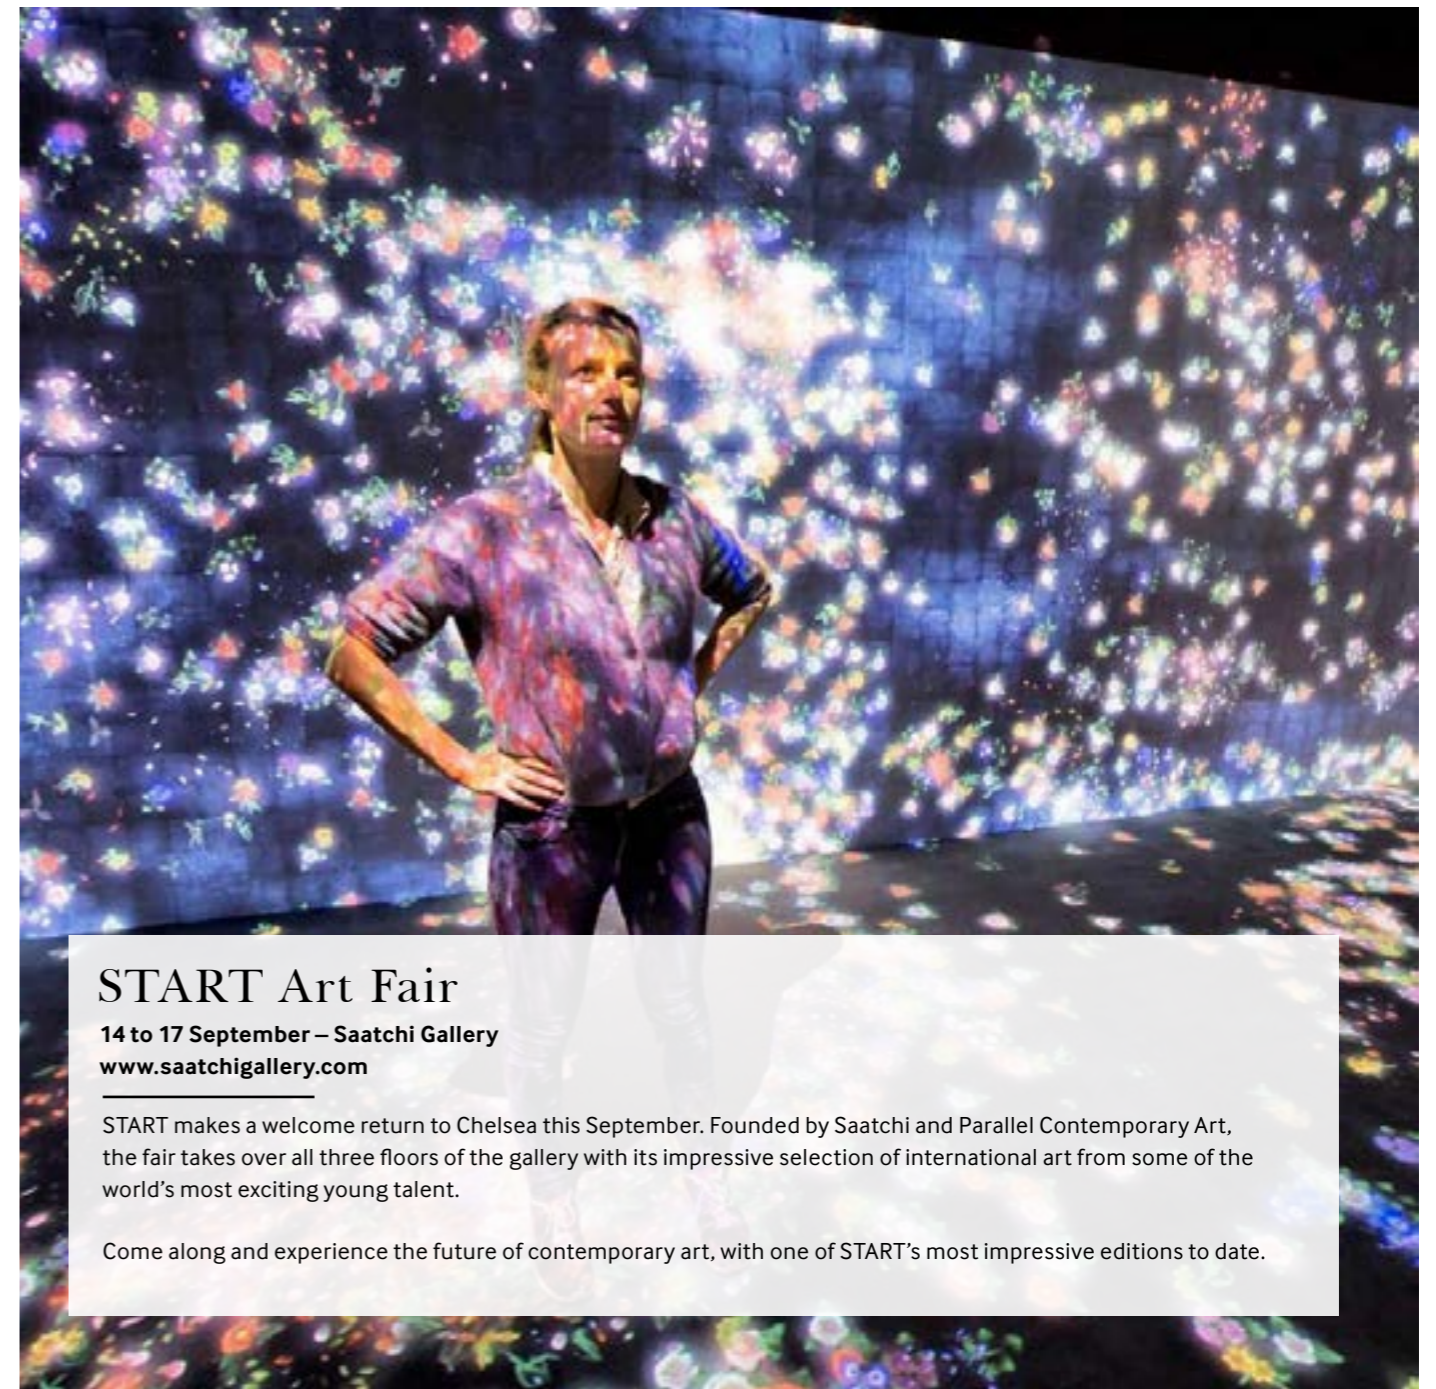

Hugh Seaborn
